THE PROGRAM

Our Karate program is under the direction and tutoring of Charles Radi, Sensei. A lifetime practitioner of martial arts, Sensei Radi has over 14 years of teaching experience, and holds black-belts in multiple martial-art disciplines. A former competitor and Maryland state champion, he has matured into an avid researcher and a dedicated instructor. He established his first Classical Martial Arts program in 2003, in Frederick MD. The program was a huge success, and has since expanded to several locations in MD. In 2011 Sensei Radi and his family relocated to Spicewood, TX. He comes to us with a wealth of knowledge, and he brings his commitment and passion to continue teaching and promoting classical ancient martial arts to the community at large.
