

## Occasional Chair Refinished and Upholstered by Antikwitee Furniture Studio

This chair was refinished and upholstered at Antikwitee Furniture Studio with a soft, blue corduroy and gold and green Jacquard fabric for the arm-rests. The wooden aspects have been refinished with a grey wash-like stain and lightly distressed. The chair was given to Antikwitee by a woman whose husband had passed away with the stipulation that the folks at Antikwitee would do it justice. Although they have had a hard time finding the woman to let her know about her contribution, Antikwitee decided the best way to do this chair justice would be to give it new life and donate it to the 5th Anniversary event.
